

KDK Reps, Inc.

330-342-0518 / 866-381-5318 (fax) / sales@kdkreps.com

Serving OH, MI, IN, W.PA, WV & KY

Pressure Transducers & Transmitters, Digital Manometers, Relative Humidity Sensors, Digital Current Switches & Portable Low Pressure Calibrators serving the Industrial OEM, HVAC, Test & Measurement and High Purity Markets

OEM Liquid Level Switches, Fluid Flow Switches, Pressure Switches, Temperature Sensors, Miniature Solenoid Valves

OEM Low Differential Pressure & Vacuum Switches and Durascan Magnetic Heads

OEM Miniature Pressure & Vacuum Switches

Universal Fastening System for Piping, Conduit or Wire used in Mechanical, HVAC, Refrigeration, Electrical & Plumbing Applications

Compact, Portable, Self-powered Data Loggers, Single/Multi-Channel, Temperature, Relative Humidity, AC Current/Voltage, Pressure, Process Signals & Power Quality

Temperature Controllers, Indicators, Sensors, Switches, Recorders, Signal Conditioners & Output Devices for the Industrial OEM Market
